

Biomir Venture LLP

<http://www.biomir.in/>

We manufacture and supply Feed Additives and Feed Supplement. Our product range includes Poultry Feed Additives, Veterinary Spray and Feed Additives. Owing to their right composition, these veterinary medicines are highly demanded.

About Us

We, **Biomir Venture LLP**, established in the year **2010**, are known for the purpose of manufacturing and supplying Feed Additives and Feed Supplement. The product range offered by us consists of Poultry Feed Additives, Veterinary Spray, Feed Additives. These herbal products and human drugs are processed from quality assured ingredients that are sourced from the trusted vendors. Processed as per the industry laid norms, the offered drugs are known for their high effectiveness, purity, compositional accuracy and longer shelf life. Rendered by us at industry leading prices, these drugs and allied products are highly appreciated in hospitals and nursing homes for the purpose of treatment of different types of diseases.

Our patrons can avail this range of herbal products and human drugs in bulk quantities with standardized packaging, as per their requirements and demands. Quality centric approach has helped us in providing our patrons with best quality herbal products and human drugs at economical prices. Timely delivery of the offered herbal products is assured at the patrons' end, owing to our excellent transportation facility.

Mr. Abhijit Vyawhare is our mentor and he has helped us in catering to the precise needs and requirements of our patrons. Backed with his excellent management skills, in-depth knowledge and vast experience of this domain, we have been able to attain the trust and huge clientele in this domain.
